About PCU

Vision

A distinctive Christian University integrating Faith, Character and Service, transforming global learners for enlightenment, leadership and human development in the 21st Century.

Mission

Philippine Christian University, an institution related to The United Methodist Church and United Church of Christ in the Philippines, commits itself to deliver high quality education imbued with the formation of Christian character, responsive to the needs of people, and making them responsible leaders and stewards, fostering inter-faith and international goodwill and understanding.

PCU Development Goals

- Synthesize the teaching of spirituality, religion and the sciences;
- Inculcate critical and innovative thinking, technological fluency and multi-cultural skills;
- Provide flexible and innovative programs using online and blended learning methods that comply with international standards for quality education and professional licensure;
- Offer career choices and pathways through a network of transnational institutions, professional organizations and linkages;
- Develop proactive leaders, competent workers and responsible citizens.

PCU is committed to develop graduates who:

PCU Core Values

- › Demonstrate Christian faith,
- › Exemplify academic excellence,
- › Engage in lifelong learning,
- › Practice servant-leadership,
- › Exhibit 21st century skills, and
- › Respond to national and global needs and conditions.

- Godliness
- Inclusiveness
- Honesty and Trustworthiness
- Initiative, Creativity and Diligence
- Humility, Courtesy and Civility
- Punctuality and Agility
- Teamwork
- Cleanliness and Forthrightness
- Frugality and Efficiency
- Priority Concern for University Clientele
- Excellent Quality

ONLINE EDUCATION AND PROFESSIONAL ADVANCEMENT (OEPA)

Education is evolving along with the advancements in the globe and in technology. This flexibility in online learning symbolizes the way of life you lead without feeling pressed or having to sacrifice your career growth.

MODALITY OF LEARNING

• BLENDED LEARNING PROGRAM

The Blended Learning Program is based on the 21st century educational system established to offer flexible provision to a diverse range of learners. It likewise provide support and enables the development of a professional workforce, creating skilled graduates capable of solving problems and creative thinking.

PROGRAMS

• PROGRAM FOR ACCELERATED COLLEGE EDUCATION (PACE)

Is an alternative system of education, a mode of educational delivery that opens up opportunities for potential students who, because of their circumstances, cannot attend regular classroom interactions and are prevented from realizing their educational goals.

• EXPANDED TERTIARY EDUCATION EQUIVALENCY AND ACCREDITATION PROGRAMS (ETEEAP)

ETEEAP is an alternative system of education which provides flexible and innovative programs using ONLINE and blended learning method thru the availment of the University's virtual education programs.

- 1.) Blended Learning
 - With classes via zoom or google meet
 - With Classmate
