

COLLEGE OF EDUCATION (CED)

The college opens fresh avenues that effectively address the challenges of our times. We prepare our students to be 21st century teachers, future administrators, community leaders, adult educators, counselors, researchers, community trainers, and other education-related careers.

The teacher education programs, Bachelor of Elementary Education (BEEd) and Bachelor of Secondary Education (BSEd), were granted Level III accreditation status by the Federation of Accrediting Agencies of the Philippines (FAAP). On the other hand, the Association of Christian Schools, Colleges and Universities Accrediting Agency, Inc. (ACSCU-AAI) awarded the Doctor of Education (Ed.D.) program with a Level III re-accreditation status and the Master of Arts in Education (MAEd) program with Level II status. The college's passing percentage in the Licensure Examination for Teachers (LET) has always been above the national passing percentage.
