THE PROGRAM

The kiddie kollege Program encourages the children to do their best at their own pace through a wealth of stimulation experiences in Language and Creative Arts, Mathematics, Social Studies, Science, Computer Education and Music. The Children learn to express themselves in varied meaningful ways. As they work and play, they learn to take initiative and responsibilities and discover ways of getting along with others.

Vision

A Kollege and Sped for kids shall develop socially-adjusted, emotionally-stable, and mentally-alert kids who are capable of managing their own level of learning.

Mission

- To foster and develop awareness of God as Creator and loving Father.
- To provide opportunities for children to grow in appreciation of Jesus, the greatest Teacher and friend of little children.
- To open the children's mind and help them enjoy their growing ability in learning new things.
- To enhance the children's sensory perceptual and fine motor skills.
- To help mold the children's effective interaction with peers and adults.
- To guide the children in achieving personal autonomy enabling the children to manage themselves.

A MILESTONE IN THE KIDDIE KOLLEGE AND SPED UNIT

- Granted Preschool Program Level II Five Years Re-Accreditation status by the Federation of Accrediting Agencies of the Philippines upon recommendation by the Association of Christian Schools, Colleges and Universities-Accrediting Council, Inc. (ACSCU-ACI)
- Recognized Preschool and Special Education Program by Department of Education NCR
- A 62.69% increase in enrollment (i.e from 25 pupils to 67 pupils) despite the pandemic.
- Granted the ISO 9005: 2018 Certification by TUV Rheinland on July 15, 2014.
